JAGUAR

The car with the performance behind it

When you choose a Jaguar, you naturally expect exhilarating performance—but you get something more. You get performance in plenty—flashing, thrilling performance (the 3½ litre does 95 m.p.h.)—but you get comfort, too. Not just speed, but speed that is smooth . . . silent . . . effortless. And in all three models you get full five-seater accommodation, luxurious appointments and the supreme control that is in keeping with a Jaguar's performance. 1½, 2½ and 3½ litre Saloons or Drophead coupes, prices from £298 to £465.
